#### **Visa information:**

Key Travel has partnered with CIBT Visas to handle your visa and passport applications in certain countries. Please visit <https://cibtvisas.com/key-travel-global-portal> to check requirements and initiate your application if you reside in one of the countries that they operate.

Responsibility rests with the traveller to check they have all necessary visas, documents and sufficient passport validity and blank pages for the countries they are visiting. Most countries require that a passport be valid for at least six months beyond the completion of a trip. If your passport expires sooner than that, you must apply to renew your passport.

Passport and visa regulations are subject to constant change. Key Travel cannot be held liable for any costs incurred as a result of a traveller being refused boarding or entry. Please ensure that you check passport and visa requirements directly with the foreign office or the relevant embassy before travel. Up-to-date travel information and travel safety and health advice can be viewed at [FCDO](#), and we recommend all travellers check this site before travel.

#### **Important Information:**

- Key Travel are aware that information relating to resort fees (payable at the property) are not currently showing on online quotes. Please be aware that additional resort fees are likely to apply to resort based properties. We are currently working with our suppliers to rectify this issue as soon as possible. Any resort fees payable remain the responsibility of the traveller
- Please visit IATA Travel Centre [IATA Travel Centre](#) for travel updates.
- To ensure a smooth journey, we recommend that you check all requirements for your trip, not only at time of booking, but also frequently until you travel as these can change. This is even more important now as there are constantly changing COVID-19 related requirements that operate at both country and local levels that may affect and possibly even prevent your ability to travel as you intend, for example: border restrictions between countries, restrictions on movement within countries and quarantine restrictions. These restrictions apply not only your destination, also countries where there is a stopover or plane change for your onward journey. In addition to these, please also check the websites of your airline, accommodation provider, rail operator etc as this will vary depending on supplier policy. You may be required to provide your own personal protective equipment (PPE) to travel. This applies not only to the lead traveller but all in the travelling party. Please pay specific attention to smaller or independent accommodation providers that may not have reception desks and may need to provide specific check-in instructions to access the property. Accommodation providers may also not be offering all leisure and hospitality facilities. Please consider if this will impact your stay, and if it will whether you need to make alternate arrangements.
- **KT Emergency Contact:**  
Contact your reservation team for any travel enquires during Key Travel office hours (**UK time: 08.00-18.00 Mon-Fri, 0900-1300 Saturdays**).  
In the event of an emergency outside office hours contact +44 (0)207 843 9602 (options 1,5) where you will be put in touch with a Key Travel consultant.
- **Paying upfront by bank transfer?**  
Contact us on the day of the bank transfer to obtain the exact price, as exchange rates change daily. Before we can confirm your booking, funds must be cleared in our account and **the transfer must include the booking reference**. If this information is not provided, we may not be able to confirm your booking before your reserved travel window expires and Key Travel shall have no liability for any subsequent change in availability and/or cost.
- **New Traveller profiles:**  
We recommend a traveller profile is created for those who travel regularly. The most secure way to create a profile is via the Key Travel website <https://www.keytravel.com> (log in and go to 'Profile Manager' button).  
**Alternatively, please contact a Key Travel reservation consultant who can email a profile link directly**
- **Please ensure your name appears as per your passport, failure to do so may result in denied boarding.** Should your name not be identical to your passport, please advise Key Travel immediately. Name update policies vary between airlines and, if permitted, all charges incurred will be the responsibility of the customer.
- If your booking includes flights or other scheduled transport, each section must be used in the order booked. Failure to complete the journey in the booked order on the scheduled time and date (including no shows) without prior arrangement with Key Travel or the travel provider will result in the remaining itinerary becoming invalid and the entire booking holding no refund value.
- Pre-allocation of seats and meals cannot be guaranteed, the airline reserves the right to change at any time.
- Key Travel are aware that information relating to resort fees (payable at the property) are not currently showing on online quotes. Please be aware that additional resort fees are likely to apply to resort based properties, we are currently working with our suppliers to rectify this issue as soon as possible. Any resort fees payable remain the responsibility of the traveller.
